Reference: Amended Year End Report (12/1/93-12/31/93) dated
2/22/94

Dear Mr. Jacob:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your amended Year End Report includes additional and reclassified receipts that appears to have been received in previous reporting periods. Please be advised, errors, additions, omissions, reclassifications, and incomplete information must be corrected or supplied by amending the original report in which the activity occurred. Failure to correct the original report will create difficulties in accounting for cash flow from one report to another. In addition, all subsequent report(s) that are affected by these corrections must be amended also. Please amend your report(s) accordingly.

-Line 11(a)(i) of the Detailed Summary Page discloses a figure for the total amount of itemized contributions from individuals/persons other than political committees. In addition, insufficient supporting schedules have been provided. Please amend your report by itemizing all contributions from individuals/persons, which aggregate greater than \$200 in the calendar year. 11 CFR §104.3(a)(2)

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) from an organization(s) which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C.
